

Balutedaar Bouquet – They said it ☺

Success Mantras for Leadership & Management in Projects & Operations

Introduction: It is **90 minutes** dramatic arrangement, a collage, of expressions, developed by Dhananjay Gokhale, of the professionals like **Cinematographer**, **Medical Director of Deenanath Hospital**, **Mount Everest**

Expedition Leader, **Railway Loco Pilot**, (Fighter) **Airforce Pilot**, **Ship Captain**, and like! The bouquet shares many real life experiences that these Balutedars have gone through! **Their wisdom, their perspective towards world around – lot to learn! In absolutely fun-filled intriguing environment!**

Some interesting features:

- **Short & entertaining** program of **90 minutes!** (+ 15 min for Q&A)
- **Clippings** of live interesting – **intriguing interviews:**
- Journey from **Vision to Reality** through **14 stations!**
- Vision >>Stakeholders >> Streaming-in >> Team >> Individual >> Self >> Energy >> Initiate >> Plan >> Execute >> Monitor >> Forecast >> Control >> Close (Reality)
- Quick connections to all the above points!
- **2 PDUs** for all PMI certified participants.

Learning Objectives: The course will enable participants to ...

- Identify competencies developed by professionals.
- Relate the competencies expressed to day-to-day work
- Enjoy the similes in required competent behavior across industries
- Appreciate competencies developed
- Get triggered to work on self development
- Gain 2 PDUs to continue PMI certifications.

Quick Reference: Following are the sample clips. These, such, and similar clips shall be used in the program with nicely packed fun-filled, still knowledge gaining environment!

Following video clips will give you an idea about the clips that I use in the program.
